

ADDITIONAL PURCHASE INFORMATION

- **Blocks 6 Feet to 7 Feet In Height Add 20%**
- Prices subject to change upon availability, quantity or season.
- Purchasing order is required for all blocks, faxed to (401) 232-1411.
Pickup is allowed only after approval.
- When ordering, please give dimensions in the following order:
LENGTH x WIDTH x RISE.
- Accounts payable in U.S. funds.
- When loaded, granite becomes property of purchaser.
- Only one dimension may be specified when ordering saw blocks.
- Sketches of stones to be furnished to the quarrier upon request.
- Stones that will make the size ordered, unless found defective, will not be adjusted or replaced.
- All claims for adjustments must be made within 30 days from the receipt of the stock and all credits for adjustments will be applied against future purchases.
- No allowances will be made for work done on defective stock.
- The maximum dimensions of stones which will be accepted as random saw blocks shall be optional with the quarry.
- **NOTE: Any grade may vary in color and grain.**

American Granite Quarrier and Fabricator

All structural granite supplied by New England Stone Industries and subsidiary Georgia Stone Industries meet or exceed the standard ASTM specifications (ASTM C97, C170, C99). Test results available.
